

Nor Iron Bars A Cage

Randall Garrett

Nor Iron Bars A Cage

Iron bars do not confine a Man — only his body. There are more subtle, and more confining bindings, however Police methods of the future will naturally use complex new technology but police will still need to deal with the same old sad human nature, that is forever doing horrible deeds. The night stick may be replaced by the hypo-gun but is prison the only solution? Listen to this speculative story from Randall Garrett bizarre mind and see.
